ABOUT CMeOSH UMK

The Centre For Management Of Environment, Occupational Safety, and Health (CMeOSH) at UMK serves as an advisor to the university management and ensures that Occupational Safety and Health (OSH) management is handled efficiently and effectively. Since its establishment in 2015, CMeOSH has accomplished significant achievements, including:

- 1st Best Practice SOHLEP at the Kelantan State Level in 2018
- National OSH Excellence Award 2018 for Higher Education Institute
- Certified ISO 45001:2018 OHSMS
- Best Workplace SOHELP DIY (Verifier) in 2023
- Recognition as OSH COE by DOSH

CMeOSH also provides OSH consultancy services to both industry and the community, offering services like industrial hygiene monitoring, OSH research, consultation and training.
