# DASAR KESELAMATAN DAN KESIHATAN PEKERJAAN UMK

## OCCUPATIONAL SAFETY AND HEALTH POLICY OF UMK

Pengurusan Universiti Malaysia Kelantan (UMK) komited dan beriltizam memastikan persekitaran kerja yang selamat dan sihat kepada semua warga UMK serta semua pihak yang berurusan dengan UMK selaras dengan keperluan perundangan Malaysia dengan:-

*The management of Universiti Malaysia Kelantan (UMK) is committed and resolute in ensuring effective environmental management to create a safe and healthy workplace environment for all UMK staff as well as all parties dealing with UMK in accordance with Malaysian legal requirements by;*

- 01** : Mewujudkan kawasan dan keadaan kerja yang selamat dan sihat bagi mencegah daripada kemalangan, kecederaan dan penyakit pekerjaan yang akhirnya dapat meminimumkan risiko serta meningkatkan peluang Keselamatan dan Kesihatan Pekerjaan (KKP);  
*Creating a safe and healthy working space and condition to prevent accidents, injuries, and occupational hazards that ultimately minimizes risks as well as enhance Occupational Safety and Health (OSH) opportunities;*
- 02** : Memastikan setakat yang praktik Keselamatan dan Kesihatan Pekerjaan (KKP) bagi semua aktiviti yang dijalankan di UMK;  
*Ensuring to an extent that the practice of Occupational Safety and Health (OSH) for all activities is carried out at UMK;*
- 03** : Memastikan hazard yang dikenal pasti dihapuskan atau risiko KKP dikurangkan mengikut hirarki kawalan yang bersesuaian;  
*Ensuring that identified hazards are eliminated or OSH risks are reduced in accordance with the appropriate control hierarchy;*
- 04** : Mewujudkan sistem pengurusan KKP yang berkualiti dan efektif melalui penambahbaikan berterusan sistem KKP di UMK; dan  
*Creating an excellent and effective OSH management system through continuous improvement of the OSH system in UMK; and*
- 05** : Memastikan penglibatan warga UMK dalam mewujudkan budaya kerja selamat dan sihat di tempat kerja.  
*Ensuring the involvement of UMK staff and students in creating a safe and healthy work culture at the workplace.*
